MUTUAL FUNDS/NATIONAL POLICY STATEMENT NO. 36

1.1.2 BUSINESS CORPORATIONS ACT, 1982 - Section 184(29)

The Commission notes with interest the creation and entrenchment of certain significant rights of holders of a class of securities of Magna International Inc. that are restricted shares within the meaning of Policy 1.3 by the inclusion of a Corporate Constitution in the Articles of Magna.

An application was made by Magna to the Court pursuant to subsection 184(29) of the Business Corporations Act, 1982 ("BCA") for an order that rights of dissent and appraisal under section 184 of the BCA would not arise in favour of the holders of Class B Shares (multiple-voting shares) or a Class A Subordinate Voting Shares of Magna upon the passage of a Special Resolution in respect of the amendment of Magna's Articles of Incorporation to include the Corporate Constitution. In view of the clear benefits to the Class A shareholders, the Commission did not object to the granting of the order.

The Commission is advised that the Articles of Amendment have subsequently been filed.

1.2 PRESS RELEASES

1.2.1 STUART BRUCE MCLAUGHLIN

January 22, 1985.

The Ontario Securities Commission announced today that it is bringing an application to the Supreme Court of Ontario to seek clarification of an Order made on December 10, 1981 by Madam Justice Boland against Stuart Bruce McLaughlin. This Order was obtained by the Commission after McLaughlin failed to comply with the follow-up provisions of the Securities Act subsequent to the purchase by him in September of 1980 of 150,000 shares of Mascan Corporation. McLaughlin has not made a follow-up bid in accordance with the Order, as revised by the Ontario Court of Appeal on January 18, 1983, but has taken the position that the offer by Hammerson Canada Inc. in January of 1984 of \$15.00 per share fulfills his obligation. The Commission is asking the Court for directions as to whether or not the existing compliance Order has been satisfied or whether, in light of subsequent events, that Order should be varied.

AND

IN THE MATTER OF SHARON STEEL CORPORATION

POLICIES

5.1 MUTUAL FUNDS - NATIONAL POLICY STATEMENT NO. 36

MUTUAL FUNDS - NATIONAL POLICY STATEMENT NO. 36

The following insert is a corrected reprint of National Policy Statement No. 36 - Mutual Funds - Simplified Prospectus Qualification System.

NATIONAL POLICY STATEMENT No. 36

Mutual Funds - Simplified

Prospectus Qualification System

A. Introduction and Purpose

Until 1980, disclosure to the public of information relevant to the purchase of mutual fund shares or units was only possible by way of a prospectus.

In 1980, the provincial and territorial securities commissions and administrators (the "Commissions" or individually the "Commission") adopted a simple, plain language system of disclosure for mutual funds requiring the use of a summary statement. That system retained the prospectus as the cornerstone information document, and filing procedures remained as they were previously with the only change being the addition of the summary statement, a disclosure document which may not have required amendment from year to year.

In 1983, the new Quebec Securities Act and its regulations introduced a simple, plain language disclosure system known as the simplified prospectus system. This system requires a simplified prospectus (similar to a summary statement) to be delivered to the public and requires no prospectus, but substitutes an annual information form and continuous disclosure filings (together known as the permanent information record).

The Commissions recognize the difficulty arising from two similar but different systems of disclosure and accordingly have agreed to a national disclosure system based upon the Quebec simplified prospectus system.

B. Procedure

1. Every conventional mutual fund in Canada is eligible to use either:
 - (a) the prospectus system of disclosure; or
 - (b) the simplified prospectus system of disclosure set out in this Policy Statement.
2. The simplified prospectus system comprises the following:
 - (a) a simplified prospectus prepared in accordance with the requirements set out in Appendix A;
 - (b) an annual information form prepared in accordance with the requirements set out in Appendix B;

- (c) such other information as is required to be filed by the mutual fund with any Commission, pursuant to the securities legislation of such province or territory in which the simplified prospectus is filed, including most recent annual financial statements together with the auditor's report thereon, subsequent semi-annual financial statements, reports of material changes and any information circular or the annual filing made in lieu thereof subsequent to the date of the last annual information form.

All information referred to in clauses (a), (b) and (c) of paragraph B.2 shall be known collectively as the Permanent Information Record.

- 3. Where two or more mutual funds have a common manager and their affairs are conducted in a similar manner, the mutual funds may, subject to the discretion of the director of a Commission or the securities administrator of a province or territory (the "Director") to refuse to accept the annual information form or issue a receipt for the simplified prospectus on the basis that disclosure contained therein is unduly complex or unclear, file one annual information form and one simplified prospectus to qualify for distribution the shares or units of the related mutual funds.

C. Annual Information Form

- 1. A conventional mutual fund may file with the Commission an annual information form prepared and certified in accordance with the requirements of Appendix B.
- 2. Each annual information form submitted by a mutual fund to the Commission for filing under this policy statement shall be subject to acceptance for filing by the Director, with such amendments or additions thereto, if any, as the Director considers necessary in order to comply with the requirements set out in Appendix B, and notification of such acceptance shall be provided annually to the mutual fund by the Director in writing.
- 3. The annual information form shall be accompanied by an undertaking of the manager of the mutual fund or, if the mutual fund has no manager, of the mutual fund, to the Commission, to provide to any person or company without charge, upon request to the mutual fund, one copy of the permanent information record of the mutual fund.
- 4. Where any solicitor, auditor, accountant, engineer, appraiser, or other person or company whose profession gives authority to a statement or opinion made by him is named in a document incorporated by reference into or deemed to form a part of the annual information form and/or the simplified prospectus, or is named as having prepared or certified a report or valuation used in a document

incorporated by reference into or deemed to form part of an annual information form and/or simplified prospectus, the written consent of the person or company to being so named and to the use of the report, valuation, statement or opinion shall be filed not later than the time the annual information form and simplified prospectus are filed.

5. Where a misrepresentation is contained in a mutual fund's annual information form, the misrepresentation shall be deemed to be contained in the mutual fund's simplified prospectus. As used in this Policy Statement, a misrepresentation means an untrue statement of a material fact or the omission to state a material fact required to be stated or that is necessary to make a statement not misleading in light of the circumstances in which it was made.

D. Simplified Prospectus

1. A mutual fund which files an annual information form shall file concurrently therewith a preliminary or pro forma simplified prospectus prepared in accordance with Appendix A in respect of the distribution of its securities.

2. Every preliminary (but not pro forma) simplified prospectus shall have printed in red ink on the outside front cover page the following statement or such variation thereof as the Director may permit:

"This is a preliminary simplified prospectus relating to these securities, a copy of which has been filed with [insert names of provinces and territories in which the preliminary simplified prospectus has been filed] but which has not yet become final for the purpose of a distribution to the public. Information contained herein is subject to completion or amendment. These securities may not be sold to, nor may offers to buy be accepted from, residents of such jurisdictions prior to the time a receipt for the final simplified prospectus is obtained from the appropriate securities commission or other regulatory authority."

3. The simplified prospectus filed by a mutual fund is a prospectus within the meaning of the securities legislation of the various provinces and territories in which it is filed. Consequently a preliminary or pro forma simplified prospectus and a simplified prospectus must be filed within the time periods prescribed by such legislation.
4. The simplified prospectus submitted by a mutual fund for filing under this Policy Statement shall be subject to acceptance for filing by the Director with such amendments or additions thereto, if any, as the Director considers

necessary in order to comply with the requirements set out in Appendix A or as may be necessary to ensure that it is not contrary to the public interest or the provisions of applicable securities legislation for the Director to issue a receipt for such simplified prospectus, and a receipt for such simplified prospectus shall be provided to the mutual fund by the Director concurrently with the notification prescribed in paragraph C.2 of this Policy Statement.

5. It is the intention of the Commissions that a simplified prospectus need not be revised annually but only so often as is necessary to reflect therein a change in the affairs of the mutual fund which is required to be disclosed therein and the Commissions anticipate that the pro forma simplified prospectus and simplified prospectus, although filed annually, will frequently not be revised annually.
6. Where a material change occurs in the affairs of the mutual fund relating to matters described in a simplified prospectus and thereby requiring amendment to a simplified prospectus for which a receipt has been issued, such amendment or amended simplified prospectus shall be filed with the Commission and a receipt obtained therefor.

E. Financial Statements

1. Every annual information form and simplified prospectus filed under this Policy Statement shall be accompanied by, or there shall have been previously filed:
 - (a) an income statement
 - (b) a balance sheet
 - (c) a statement of investment portfolio
 - (d) a statement of portfolio transactions
 - (e) a statement of changes in net assets

of the mutual fund each for or as at the end of, as appropriate, its last financial year with, except for clauses (c) and (d), comparative figures for its next preceding financial year, or for any period or periods permitted or required by the Director, together with an auditors' report thereon.

2. Each simplified prospectus required to be sent or delivered to a purchaser under the provisions of the securities legislation of any province or territory in which the simplified prospectus is filed shall be accompanied by:
 - (a) a copy of the financial statements referred to in paragraph E.1; and
 - (b) where one or more financial statements for periods subsequent to those covered by the financial statements

described in clause E.2 (a) have been filed with a Commission, a copy of the financial statements that were filed most recently before the day the simplified prospectus is sent or delivered.

3. Notwithstanding paragraph E.1, a statement of portfolio transactions need not be reported on by an auditor and need not be sent or delivered to a purchaser if the statement of portfolio transactions:

- (a) contains a certificate signed by the Chief Executive Officer and Chief Financial Officer of the mutual fund, or the person or persons temporarily carrying out the responsibilities of either of them, that the statement of portfolio transactions presents fairly the required information; and
- (b) the statement of portfolio transactions forms part of the mutual fund's permanent information record and is forwarded to a person or company who requests a copy of the permanent information record.

F. Review Procedure

1. The annual information form, the preliminary or pro forma simplified prospectus and the annual financial statements will be reviewed together, annually, in accordance with normal review procedures applicable to mutual funds.
2. The annual information form and simplified prospectus may be filed pursuant to National Policy No. 1, whereupon the prospectus clearance procedures referred to therein will apply to both documents.
3. National Policy No. 30, "Processing of Seasoned Prospectuses" applies mutatis mutandis to an annual information form and a simplified prospectus.

If the agreement is to purchase such securities under a contractual plan, the time period during which withdrawal may be made may be longer.

In several of the provinces and territories securities legislation further provides a purchaser with remedies for rescission or, in some jurisdictions, damages where the simplified prospectus and any amendment contains a misrepresentation or is not delivered to the purchaser but such remedies must be exercised by the purchaser within the time limit prescribed by the securities legislation of his province or territory. The purchaser should refer to any applicable provisions of the securities legislation of his province or territory for the particulars of these rights or consult with a legal adviser".

1.1.3 FINANCIAL TASK FORCE REPORT

FINANCIAL TASK FORCE REPORT

The accompanying news release is published at the request of the Ministry of Consumer and Commercial Relations, in order to assist in its dissemination to interested persons.

January 30, 1985

FINANCIAL TASK FORCE REPORT

The Interim Report of the Ontario Task Force on Financial Institutions was released January 30th by Consumer Minister, Dr. Robert Elgie.

"I am very pleased with the valuable contribution that the Task Force has made in delivering such a comprehensive and timely first report" said Dr. Elgie, "and I look forward to the continued diligence in the next phase of open and public consultation."

The report provides an overview of the changing nature of the financial system and discusses the role and structure of Canadian financial institutions. In its report, the Task Force has also defined the framework for public hearings, to begin in May 1985, by formulating a number of critical questions on which the public is invited to make written submissions.

As Dr. Elgie requested when he appointed the Task Force last June, the interim report discusses and makes recommendations concerning some issues of immediate concern to the government.

The proposals put forth by the Task Force for the consideration of the Minister include:

- 1) a strengthening of the conflict of interest provisions of the Loan and Trust Corporations Act to prohibit self-dealing except in certain clearly defined and inoffensive situations;
- 2) a short-term regulatory approach to the problem of non-conforming legislation now governing Quebec-based insurance companies operating in Ontario by requiring advance notice from any insurance company wishing to pursue corporate activities that deviate from those allowed for Ontario-based insurance companies by the Insurance Act of Ontario;
- 3) a further period in which the initiatives now being pursued to strengthen the operation of the credit union movement may take effect;
- 4) an immediate meeting of the relevant federal and provincial ministers to determine the most appropriate vehicle for achieving harmony amongst inter-governmental policies and regulatory practices governing financial institutions.

The report also sets out the timetable for the process of open consultation which will precede the final report to the Minister in the fall of 1985. Interested parties and all those wishing to appear at the public hearings this summer are invited to submit their written responses to the questions and concerns raised in the report by March 15, 1985.

Dr. Elgie welcomed the participation of the public. "I strongly urge everyone interested in the future of financial institutions in Ontario to contribute to this process of open consultation", he said.

1.1.4 EXECUTIVE COMPENSATION

EXECUTIVE COMPENSATION

In its Bulletin of 20 July 1984, the Commission published a proposed draft amendment to the regulations concerning disclosure of executive remuneration that was published by the Commission des valeurs mobilières du Québec, with a request for comments ((1984), 7 OSCB 3120).

The following draft Item 6 of Form 30 to O. Reg. 910/80 reflects the comments received, and was in substance considered and approved at last fall's meeting of the Canadian Securities Administrators.

It is expected that the forms requiring disclosure of Directors' and Officers' Remuneration (Forms 12 (Item 22), 13 (Item 26), 14 (Item 24), 15 (Item 12), 28 (Item 6) and 30 (Item 6)) in O. Reg. 910/80 to the Securities Act will be amended as soon as comments have been received and considered, subject to legislative approval.

The Commission is of the view that it is also appropriate to amend Item 24 of Form 12, Item 28 of Form 13 and Item 24 of Form 14 (Options to Purchase Securities) of O. Reg. 910/80 at this time, for the purposes of consistency and clarity. A draft revision of Item 24 of Form 12 is published with this notice.

The proposed revisions to O. Reg. 910/80 will provide for a transitional period wherein issuers will have the option of compliance with the Forms prior to the amendments and the Forms as amended.

Comments regarding these proposed amendments to the regulations are invited and may be submitted to:

The Secretary,
Ontario Securities Commission
20 Queen Street West
Box 55
Toronto, Ontario
M5H 3S8

5. In any Section in this Item 6, interest on deferred compensation need be disclosed only if the interest rate exceeds rates prevailing at the time of accrual or at the time the plan pursuant to which the compensation is deferred was established.

RULING
(Section 73)

UPON the application of RealCap Funds Management Limited (the "Applicant") to the Ontario Securities Commission (the "Commission") for a ruling pursuant to section 73 of the Securities Act, R. S. O. 1980, c. 466 (the "Act");

5. The units in the Fund may be redeemed by a unitholder on the last business day of any month, provided that the unitholder has given at least 10 clear business days' prior written notice to the Trustee;
6. The original purchase of units by a unitholder requires an aggregate initial investment of not less than \$100,000. Thereafter unitholders may purchase additional units by either (a) the reinvestment of the

2.3 BELL CANADA ENTERPRISES INC. /DAON DEVELOPMENT CORPORATION

IN THE MATTER OF THE SECURITIES ACT,
R.S.O. 1980, CHAPTER 466

AND

IN THE MATTER OF BELL CANADA ENTERPRISES INC.

AND

IN THE MATTER OF DAON DEVELOPMENT CORPORATION

ORDER
(Section 99(e))

UPON the application of Bell Canada Enterprises Inc. (the "Applicant") to the Ontario Securities Commission (the "Commission") pursuant to section 99(e) of the Securities Act, R.S.O. 1980, c.466 (the "Act") for an order exempting the Applicant from certain requirements of Part XIX of the Act with respect to its offer to purchase 98% of the common shares of Daon Development Corporation ("Daon") held by each common shareholder of Daon at the price of \$3.00 per share;

AND UPON it appearing that:

1. Daon is a corporation incorporated under the laws of the province of British Columbia and is a reporting issuer not in default under the Act. The common shares of Daon are listed and posted for trading on the Vancouver, Toronto, Montreal, Alberta and London Stock Exchanges.
2. The Applicant made an offer dated January 22, 1985 (the "Offer") to purchase 98% of the common shares of Daon deposited by each holder of Daon common shares at the price of \$3.00 per common share.
3. Notice of the Offer was provided to each holder of Daon common shares by delivery of a take-over bid circular dated January 22, 1985 (the "Circular");
4. Pursuant to agreements entered into with certain of its creditors in 1984, Daon agreed to maintain the listing of its common shares on the Toronto and Vancouver stock exchanges. The Applicant structured the Offer on the basis that it would purchase 98% of the shares deposited by each holder of Daon shares, so that in the event that all Daon shares were deposited, this would not, in itself, cause the delisting of Daon's shares.

5. The Applicant disclosed in the Circular its possible intention to seek an order, permitting the Applicant to take up and pay for up to 100% of all shares deposited under the Offer on terms which would not provide depositing holders with rights to withdraw their deposited shares.
6. The Applicant does not expect the number of Daon shares deposited to be so high as to place Daon's stock listings on the Toronto or Vancouver Stock Exchanges at risk.

AND UPON being of the opinion that to grant this Order would not be prejudicial to the public interest;

IT IS ORDERED pursuant to section 99(e) of the Act that the Applicant is exempted in part from the requirements of subsections (1) and (2) of section 90 of the Act with respect to the Offer in that the election by the Applicant to take up 100% of the common shares of Daon deposited by each holder of Daon common shares shall not, in itself, be a change or variation of the Offer or any of its terms, provided that:

1. the Applicant elects to take up to 100% of the common shares of Daon deposited by a holder prior to the date on which it pays for the common shares taken up under the Offer; and
2. the Applicant shall provide to each holder with respect to whom 100% of the shares have been taken up under the Offer, no later than at the time of payment by the Applicant to the shareholder, a copy of this Order together with a statement that the Applicant has been permitted to take up and pay for 100% of the Daon shares deposited under the Offer and that as a consequence of this Order which was contemplated in the Circular, the Applicant may elect to take up 100% of the shares deposited under the Offer without providing depositing holders with rights to withdraw their deposited shares.

AND

CONTINENTAL BANK MORTGAGE CORPORATION

RULING
(Section 73)

UPON the application of Continental Bank of Canada ("CBOC") and its wholly-owned subsidiary, Continental Bank Mortgage Corporation ("CBMC"), to the Ontario Securities Commission (the "Commission") for a ruling pursuant to section 73 of the Securities Act, R. AND UPON CBMC and CBOC having represented to the Commission that:

- (a) CBMC and CBOC are reporting issuers for purposes of the Act, and CBOC is a bank to which the Bank Act (Canada) applies;
- (b) CBMC proposes to issue notes (the "Notes") having terms of at least 5 years that would be direct, unsecured obligations of CBMC ranking equally and rateably with all other unsecured and unsubordinated indebtedness of CBMC;
- (c) Attached to each Note will be a warrant of CBMC (the "Warrants") which will enable the holder to purchase Government of Canada Bonds having terms of approximately 10 years from the date of issue of the Notes (the "Back Bonds");
- (d) CBMC will have the right to substitute other Government of Canada Bonds having a similar maturity date and bearing a similar interest rate as the Back Bonds, at a price which will produce the same yield to the Warrant holders as the Back Bonds;
- (e) The Notes and Warrants will be unconditionally guaranteed by CBOC;

- (f) Pursuant to subparagraph 34(2)1(c) of the Act, registration is not required to trade in bonds, debentures or other evidences of indebtedness guaranteed by a bank to which the Bank Act (Canada) applies;
- (g) Pursuant to subparagraph 34(2)1(a) of the Act, registration is not required to trade in bonds, debentures or other evidences of indebtedness of the Government of Canada;
- (h) Pursuant to clause 72(1)(a) of the Act, sections 52 and 61 do not apply to a distribution of securities referred to in subsection 34(2) excepting paragraphs 14 and 15 thereof;

- (j) CBMC will provide to prospective purchasers of the Notes and Warrants a term sheet which will discuss, among other things;
 - (i) the tax consequences to the purchaser upon the sale or disposition of the Notes or the Warrants or upon the exercise of the Warrants;
 - (ii) the eligibility for investment of the Notes and the Warrants under certain statutes of Canada and of the provinces where the Notes and Warrants may be lawfully sold; and
 - (iii) the inverse relationship between the price of the Warrants and changes in the level of interest rates and the greater volatility of prices of the Warrants in comparison with prices of the Back Bonds;

AND UPON the Commission being satisfied that to so rule would not be prejudicial to the public interest;

NOW THEREFORE IT IS RULED pursuant to subsection 73(1) of the Act that trades in the Warrants are not subject to sections 24 and 52 of the Act.

IN THE MATTER OF THE SECURITIES ACT,
R. S. O. 1980, CHAPTER 466

AND

IN THE MATTER OF JOSEPH FODOR, ALLAN GROSSMAN
AND THE ENERCAN GROUP INC.

RULING
(Section 73)

UPON the application of Allan Grossman ("Grossman") and Joseph Fodor ("Fodor") (collectively, the "Applicants") to the Ontario Securities Commission (the "Commission") for a ruling pursuant to Section 73 of the Securities Act, R. S. O. 1980, c. 466, (the "Act") that the first trade by each of Fodor and Grossman in certain securities issued by The Enercan Group Inc. ("Enercan") is not subject to sections 24 or 52 of the Act;

AND UPON it being represented to the Commission that:

1. Enercan was incorporated under the laws of the Province of Alberta on August 9, 1982 and was continued under the laws of the Province of Ontario on July 30, 1984;
2. Enercan is not a reporting issuer in Ontario;
3. The common shares of Enercan are listed on the Alberta Stock Exchange.
4. On December 3, 1984, Enercan issued U. S. \$5,000,000 principal amount of convertible secured debentures (the "Debentures") pursuant to the prospectus exemption contained in clause 71(1)(d) of the Act, of which U. S. \$100,000 were acquired by Fodor and U. S. \$200,000 by Grossman;
5. The first trade in the Debentures by the Applicants is subject to compliance with the requirements of subsection 71(4) of the Act;
6. Mr. Ralph Moss ("Moss"), an Ontario resident, has offered to purchase U. S. \$50,000 of Debentures from Fodor and U. S. \$25,000 of Debentures from Grossman, being in the aggregate U. S. \$75,000 of Debentures; and
7. The Debentures will have an aggregate acquisition cost to Moss of not less than \$97,000 (assuming a conversion rate of approximately 130 per cent). The trade would therefore be exempt pursuant to clause 71(1)(d) of the Act but for the fact that there are two vendors;

AND UPON the Commission being satisfied that to grant this ruling would not be prejudicial to the public interest;

IT IS RULED pursuant to subsection 73(1) of the Act that the first trade by Fodor in U. S. \$50,000 of Debentures to Moss and the first trade by Grossman in U. S. \$25,000 of Debentures to Moss are not subject to sections 24 or 52 of the Act, provided that:

1. each of the Applicants shall file with the Commission a report of the trade containing the information required by Form 21 under the Act within 10 days of the trade;
2. no unusual effort is made to prepare the market or create a demand for the Debentures and no extraordinary commission or consideration is paid in connection with the trades;
3. the first trade by Moss in any of the Debentures which are the subject of this ruling shall be subject to the provisions of subsection 71(4) of the Act and clause 19(b) of the Regulation made thereunder as if the Debentures had been acquired pursuant to an exemption referred to in subsection 71(4) of the Act;
4. the Applicants shall provide a copy of this ruling to Moss ; and
5. the Applicants shall obtain from Moss and file with the Commission a written acknowledgement that Moss:
 - (a) has received a copy of this ruling;
 - (b) is aware of the limitations imposed by this ruling upon disposition of the Debentures which are the subject of this ruling; and
 - (c) is aware that the protections, rights and remedies provided by the Act in respect of securities issued pursuant to a prospectus are not available to him in respect of the Debentures acquired pursuant to this ruling.

NOTICES/PRESS RELEASES

1.1 PRESS RELEASE

1.1.1 UNICORP'S BID FOR UNION ENTERPRISES

February 15, 1985.

The Ontario Securities Commission announced today that, following a hearing which extended over 6 days, it would not cease-trade the take-over bid made by Unicorp Canada Corporation to acquire any and all of the outstanding common shares of Union Enterprises Ltd.

The hearing was based on the allegation of Union that the purchases by Unicorp of an aggregate of 4,500,000 common shares of Union made through Gordon Capital Corporation on January 9, 15 and 22, 1985 were private agreements entered into at a time when Unicorp had formed an intention of making a subsequent take-over bid and accordingly should be considered in determining whether the same consideration is being offered to the holders of the same class of securities for the purposes of section 91(3) of the Ontario Securities Act.

The purchases were arranged by Gordon Capital through the facilities of The Toronto Stock Exchange and The Montreal Exchange, and involved a cross or put-through of the shares which were purchased from a number of sellers. The sellers were all unaware of the identity of Unicorp as ultimate purchaser and Unicorp was unaware of the identity of the sellers. Others were canvassed by Gordon Capital and declined to participate in the transactions. A cross or put-through is a normal trading device on the floor of the exchanges and indeed many transactions are handled in this manner.

In these circumstances, the Commission determined that the purchases did not constitute private agreements for the purposes of the Act or the policy statements of the Commission. The Commission accordingly found no basis to cease-trade the subsequent offer.

During the course of the hearing, much evidence was given about the short position incurred by Gordon Capital in filling the orders given to it by Unicorp and the effect on the market in shares of Union as a result of Gordon Capital subsequently covering this short position. While the Commission cannot determine this effect and hence determine if the matter is material, it does feel that the take-over bid circular of Unicorp should be amended to refer to the short position, the efforts of Gordon Capital to cover the short position, and the possible effect of such efforts on the market for Union shares. Such an amendment would ordinarily require a new right of withdrawal extending for a period of 10 days from the date of the mailing of the amendment which,

considering all the circumstances, the Commission feels should be shortened. Accordingly, all holders are to have a right of withdrawal for a period of 5 business days after the mailing of the amendment. The period of time during which the bid may remain open for acceptance may be shortened to a date which is not less than 10 business days after the mailing of the amendment. It follows that the bid cannot proceed until the amendment has been sent to the shareholders.

The Commission stated that written reasons for its decision will be issued in due course.

CHAPTER 2

DECISIONS, ORDERS AND RULINGS

2.1 CARE CENTERS, INC.

IN THE MATTER OF THE SECURITIES ACT,
R. S. O. 1980, CHAPTER 466

AND

IN THE MATTER OF CARE CENTERS, INC.

RULING
(Section 73)

UPON the application of Care Centers Inc. ("CCI") to the Ontario Securities Commission (the "Commission") for a ruling pursuant to section 73 of the Securities Act, R. S. O. 1980, c. 466 (the "Act") exempting from the provisions of sections 24 and 52 of the Act the distribution to its shareholders of shares of its wholly-owned subsidiary, Longwood Broadcasting Company ("LBC"), pursuant to a merger of CCI, Southmark Corporation and Southmark Subsidiary Corporation;

AND UPON reading the application of CCI and the recommendation of Commission staff:

AND UPON it being represented to the Commission that:

1. CCI is a corporation incorporated under the laws of Delaware, in the United States of America, with head office in Dayton, Ohio;
2. CCI, the shares of which are publicly held and traded on the over-the-counter market, is not a reporting issuer under the Act, but is a reporting company under the Securities Exchange Act of 1934;
3. In connection with a merger of CCI, Southmark Corporation and Southmark Subsidiary Corporation, CCI proposes to distribute to its own shareholders shares of its wholly-owned subsidiary, LBC;
4. CCI has 533,012 common shares outstanding, consisting of 281,419 Common Shares and 251,593 Class B Common Shares;

5. At present, there is one CCI shareholder resident in Ontario, who holds 540, or 0. 19%, of the outstanding Common Shares of CCI and who following the merger, will hold 540, or 0. 10%, of the issued and outstanding LBC common shares (the "Ontario Shareholder");
6. The details of the proposed transaction are disclosed in Proxy Materials issued in connection with a special meeting of CCI shareholders to be held February 13, 1985 to approve the distribution of all the LBC shares (the "Distribution") and to adopt an Agreement and Plan of Merger, pursuant to an Agreement of Merger (which documents are collectively referred to as the "Merger Agreement");
7. The Merger Agreement provides, among other things, that each shareholder of CCI will receive one share of LBC for each Common Share and Class B Common Share held;

AND UPON being satisfied that to so rule would not be prejudicial to the public interest;

IT IS RULED pursuant to section 73 of the Act that the Distribution, as it pertains to the Ontario Shareholder, is not subject to the registration and prospectus requirements of sections 24 and 52 of the Act, respectively, provided that:

1. CCI files with the Commission a written acknowledgement from the Ontario Shareholder to the effect that the Ontario Shareholder understands that as a result of this ruling he is not entitled to the protective provisions of the Act which would otherwise be available to him; and
2. The first trade by the Ontario Shareholder in LBC shares acquired pursuant to the Distribution shall be a distribution within the meaning of the Act, unless such first trade is made with a resident of the United States of America in accordance with applicable securities legislation.

25.4 COMPANIES BRANCH/REASONS AND DECISIONS

25.4.1 PROPRIETORSHIPS AND PARTNERSHIPS

The following is an insert with respect to PROPRIETORSHIPS AND PARTNERSHIPS, Registrations and Filings difficulties prepared by the Companies Branch, Ministry of Consumer and Commercial Relations.

PROPRIETORSHIPS AND PARTNERSHIPSREGISTRATIONS AND FILINGS DIFFICULTIES

The Companies Branch has written to the county law associations asking that they draw to their members' attention difficulties which the Branch is experiencing with material being submitted through the mail for the above purpose. Almost 25% of the forms submitted have been incorrectly filled out and are being returned. A large percentage of registrations of business name or style are being submitted accompanied by the fee which was in existence before April 30th, 1984. A sample review over a five day period in December of these forms identified that the majority of the inadequate fee submissions received through the mail were sent by legal firms.

The Companies Branch has asked the county law associations to bring these matters to their members' attention.

25.4.2 LICENSING OF EXTRA-PROVINCIAL CORPORATIONS

The following is an insert with respect to LICENSING OF EXTRA-PROVINCIAL CORPORATIONS prepared by the Companies Branch, Ministry of Consumer and Commercial Relations.

LICENSING OF EXTRA-PROVINCIAL CORPORATIONS

The Extra-Provincial Corporations Act, 1984, will be proclaimed in force effective March 1st, 1985. The regulation made under the Act was published in the Ontario Gazette on February 9, 1985. Copies are available from the Ontario Government Bookstore, telephone toll-free 1-800-268-7540, in Toronto 965-6015.

Some of the features of the legislation are:

- Exemption from licensing requirement for corporations incorporated in Canada;
- Restrictions on the use in Ontario of names of corporations incorporated outside the Province;
- Requirement of an extra-provincial licence for corporations incorporated outside Canada that wish to do business in Ontario;
- Existing provisions and regulations under the Corporations Act on this subject are revoked effective March 1, 1985;
- Fees will be consistent with existing fees for similar services available from the Companies Branch.

IN THE MATTER OF THE
BUSINESS CORPORATIONS ACT, 1982
S.O. 1982, Chapter 4

AND

IN THE MATTER OF
BAUHOWS CUSTOM WOOD PRODUCTS LTD.

REASONS AND DECISION

APPEARANCES:

Bruce A. Simpson on behalf of BAUHOWS
CUSTOM WOOD PRODUCTS LTD.
(hereinafter sometimes referred to as the
"Proponent")

Duncan Finlayson, Q.C. and Constance M.
Brothers on behalf of BAUHAUS DESIGNS
CANADA LIMITED, (hereinafter sometimes
referred to as the "Objector")

A hearing was held before me on the 5th day of September, 1984 pursuant to subsection 12(1) of the Business Corporations Act, 1982 (the "Act"). The purpose of the hearing was to decide whether or not a certificate of amendment to the articles of incorporation of the Proponent, Ontario Corporation No. 410787 should be issued changing its name.

Both the Proponent and the Objector were represented by counsel. No witnesses appeared on behalf of either party. The only evidence before me was the September 4, 1984, Affidavit of Mr. Martin Silver, a director and the Secretary-Treasurer of the Objector. Counsel for the Proponent consented to the introduction of that Affidavit as evidence.

The Objector was incorporated January 11, 1973, and accordingly is a "body corporate" within the meaning of the Act. The objects for which the Objector was incorporated read, in part, as follows:

- (a) To manufacture, make, produce, build, construct, create, evolve, design, prepare, adapt, assembly, alter, change, improve, sell, import, export, exchange, lease, hire,

distribute, market, exploit, receive, dispose of and in any and every manner whatsoever trade and deal in furniture and furniture novelties and goods and wares of every description; and to traffic in lumber and other materials and any of the products thereof, and any articles, chattels, goods and merchandise of every description whatsoever that are necessarily or impliedly incidental thereto.

The Objector has, since the date of its incorporation, been continuously engaged in its business under the corporate name "Bauhaus Designs Canada Limited".

The Proponent was incorporated on March 28, 1979 as 410787 Ontario Limited. On May 4, 1979, 410787 Ontario Limited, registered the business name or style of "Modern Design Studio". On February 17, 1981, 410787 Ontario Limited filed articles of amendment changing its name to "Bauhows Custom Wood Products Limited".

The Proponent is involved in the business of producing specially built furniture in a variety of wood, formica and arborite, including copper and brass products. The Proponent's products are built to its client's specifications and the projects range from residential to commercial.

Mr. Silver's Affidavit indicates that since the date of its incorporation, the Objector's name and the "Bauhaus" trademark have been used continuously to identify its business, goods and services, and to distinguish its business from others. Since the date of its incorporation, the Objector has carried on business and advertised heavily in both the United States and Canada. Advertising has been done in trade publications, the general media and by means of promotional material to retailers.

The Objector has, since May 15, 1979, had the trademark in Canada for "Bauhaus", in association with furniture, namely: upholstered furniture, sofas, sofa beds, love seats and chairs. In January of 1982, this trademark registration was extended to include "Bauhaus" in association with furniture of all kinds.

Since its incorporation, the Objector has expanded greatly with sales in Canada in the millions of dollars annually. Its advertising expenses also are in the millions of dollars. Mr. Silver states in his Affidavit that it first came to his attention that there was the similar corporate name of "Bauhows Custom Wood Products Limited", in December of 1981. At that time, a salesman for the Objector attended at the offices of the Proponent where he met with Mr. Peters, the President of the Proponent. At that time, Mr. Peters drew a sketch of a wall unit which the Proponent corporation could make for the salesman. According to Mr. Silver's Affidavit, the wall unit was to be for residential use and is the same type of design as that marketed by the Objector.

In his Affidavit, Mr. Silver states that the name of the Proponent is confusing, is similar to that of the Objector, and that the use of the Proponent's name was intended to cause, and is likely to continue to cause, confusion, mistakes, and to deceive the trading and consuming public as to the true identity of the Proponent's goods. Despite this statement in Mr. Silver's Affidavit, counsel for the objector indicated that there had not, to their knowledge, been any specific instances of confusion with respect to the trading or consuming public.

Subsection 12(1) of the Act, pursuant to which this hearing was held, provides:

If a corporation, through inadvertence or otherwise, has acquired a name contrary to section 9, the Director may, after giving the corporation an opportunity to be heard, issue a certificate of amendment to the articles changing the name of the corporation to a name specified in the certificate and, upon the issuance of the certificate of amendment, the articles are amended accordingly.

Subsection 9(1) of the Act provides:

Subject to subsection (2), a corporation shall not have a name,

- (a) that contains a word or expression prohibited by the regulations;
- (b) that is the same as or... similar to,

- (i) the name of a known,
 - (A) body corporate,
 - (B) trust,
 - (C) association,
 - (D) partnership,
 - (E) sole proprietorship, or
 - (F) individualwhether in existence or not, or
 - (ii) the known name under which any body corporate, trust, association, partnership, sole proprietorship, or individual, carries on business or identifies itself,
- if the use of that name would be likely to deceive; or
- (c) that does not meet the requirements prescribed by the regulation.

Section 2 of the Regulation under the Act (the "Regulations") provides:

- (1) "Name" when used in the expression "if the use of that name would be likely to deceive" used in clause 9(1)(b) of the Act includes,
 - (a) a name that would lead to the inference that the business or activities carried on or intended to be carried on by the corporation under the proposed name and the business or activities carried on by any other person are one business or one activity, whether or not the nature of the business or activity of each is generally the same;
 - (b) a name that would lead to the inference that the corporation bearing the name or proposed name is or would be associated or affiliated with a person if the corporation and such person are not or will not be associated or affiliated; or
 - (c) a name whose similarity to the name of a person would lead someone who has an interest in dealing with the person, to deal with the corporation bearing the name in the mistaken belief that he is dealing with the person.

Section 3 of the Regulation provides:

For the purpose of section 12 of the Act, the matters the Director may consider when determining whether a name is contrary to section 9 of the Act include,

- (a) the distinctiveness of the whole or any element of any name or trade mark and the extent to which the name or trade mark has become known;
- (b) the length of time the trade mark or name has been in use;
- (c) the nature of the goods or services associated with the trade mark or the nature of the business carried on under or associated with a name, including the likelihood of any competition among businesses using such a trade mark or name;
- (d) the nature of the trade with which a trade mark or name is associated, including the nature of the goods or services and the means by which they are offered or distributed;
- (e) the degree of similarity between the corporate name and any trade mark or name in appearance or sound or in the ideas suggested by them; and
- (f) the geographic area in Ontario in which the corporate name is likely to be used.

The issue, therefore, is whether the actual use of the name "Bauhows Custom Wood Products Limited" by the Proponent would be likely to deceive, in that it would lead to the inference that the business carried on or intended to be carried on by the Proponent and the business carried on by the Objector are one business or that the name of the Proponent would lead to the inference that the Proponent was associated with the Objector or would lead someone who has an interest in dealing with the Objector to deal with the Proponent, in the mistaken belief that he is dealing with the Objector.

The Objector, through advertising and promotion in both the United States and Canada, has become widely known among the industry, retailers and the consuming public, as a manufacturer of furniture. The Proponent deals in specially built furniture, its products are made to the particular specifications of each client on a case-by-case basis and its activities are

limited to that area surrounding and including the Municipality of Metropolitan Toronto.

The Objector's name contains the word "Bauhaus" and the Proponents name contains the word "Bauhows". While these words are visually slightly different, they have the same auditory effect. Aside from this one word, the names of the corporations are very different.

In his Affidavit, Mr. Silver stated, in part, that the word "Bauhaus" was chosen because it was viewed as suggestive of a modern philosophy of functional design, that it was not a descriptive term but a school of thought in furniture, design and manufacturing, and that the philosophy associated with the Bauhaus School of Simplicity and Functionality was consistent with the Objector's corporate philosophy.

It also appears from Mr. Silver's affidavit that the client groups of the two corporations are quite different. The Objector markets on a continent wide basis, a brand of furniture for which it is well known and which is marketed to the general public. The Proponent caters to a specialty market desiring furniture built for a specific and unique purpose for both residential and commercial uses.

As previously noted, despite the fact that the two corporations have co-existed under their respective names for approximately three and a half years, during that period there have been no instances of confusion.

The basic and primary principle in granting corporate names is that set out by Kelly J. A., in Re C C Chemicals Ltd., [1967] 2 O.R. 248 (C.A.), at pp. 254-5, where he found that the purpose of the stricture on the granting, upon incorporation, of names similar to those of existing bodies, was to prevent, in the public interest, the use of incorporation to further deception likely to arise from similarity of names. He stated that the section 12 procedure was enacted not to enlarge the remedies available to protect a person against an infringement on the name or style under which he carries on business, but in the public interest and for the protection and

convenience of the public. Accordingly, the principles applicable in a "passing off" action are not relevant.

With respect to the meaning of "likely to deceive", Kelly J. A. adopted the words of Schatz J. in Re Col 's Sporting Goods Ltd. and C. Cole & Co. Ltd. and Coles Book Stores Ltd., [1965] 1 O.R. 331, at pp. 337-8:

The issue before me as I conceive it is to determine whether the name of [the Proponent] is "likely to deceive", that is, likely to cause confusion by reason of the existence of the prior incorporation of [the Objector] (at p. 254).

Regarding the word "likely" Kelly J.A., stated at p. 257 that it was unnecessary to demonstrate any intention to deceive on the part of the Proponent. Referring to the Oxford Dictionary for a definition of likely, he held, at page 257, that:

"Likely" as an adjective is defined by the Oxford English Dictionary as "probable" - "that looks as if it would happen". Accordingly, the question becomes, "Did the Provincial Secretary give to the proponent a name so similar to that of the objector that 'it looked as if deception would occur'."

He also pointed out, at p. 258, that the determination of the probable deceptive qualities of the name should not be approached so rigidly that the test becomes not "probability of deception" but "possibility of deception".

In summary, the relevant facts which it is appropriate to consider in determining likelihood of deception, are in essence, the nature of the businesses, the persons or classes of persons who might ordinarily be expected to deal with each, and of course the names of the businesses (Kelly, J.A. at pp. 258-9).

Regarding the names, the C C Chemicals case is important not only because it expands upon the meaning of "likely to deceive", but also because it is authority for the proposition that a corporation cannot, in the normal course, establish an exclusive right to use in its corporate name a word which describes its business. In C C Chemicals, leaving aside the legal designations, the proponent's name was "C C Chemicals", while the objector's name was "Construction Chemicals". The dominant feature of the name of the proponent was "chemicals", a descriptive word. The court did not require the proponent to change its name. Kelly, J.A. stated at pp. 261-2:

...in general terms it can be said that the broader the application of the term selected by the earlier corporation for inclusion in its corporate name the less is the ability of the user of that name to arrogate to himself any right to that name and to complain of the use by another of the same term -with proper distinguishing accompanying words. It was said in Cellular Clothing Co., Ltd. v. Maxton & Murray, [1899] A.C. 326 at p.336, that the utmost difficulty should be put in the way of anyone who seeks to adopt or use exclusively as his own a merely descriptive term. To this I would add that the greater the descriptive scope of the term or word adopted the more difficult the task of the selector to appropriate to himself a term which might be equally descriptive of the nature of other businesses.

and at p. 260:

...But assuming at this stage that the descriptive portion of its name was limited to the word "Chemical", the objector could not by incorporating that word in its name prevent every other person from using it as descriptive of the class of goods in which he dealt or proposed to deal.

With respect to the issue of the similarity of names:

BAUHOWS CUSTOM WOOD PRODUCTS LTD. (the "Proponent"), and
BAUHAUS DESIGNS CANADA LIMITED (the "Objector"),

only the phonetically similar words "Bauhaus" and "Bauhows" are common to both. On the Objector's own evidence, this is a descriptive word, descriptive of a school of thought in furniture design and, accordingly the utmost difficulty should be put in the way of anyone seeking to adopt or use exclusively as his own descriptive term. In other respects, the names of the two corporations are quite different.

I conclude, therefore, that the two names are not similar and that the use of the Proponent's name would not be likely to deceive within the meaning of section 9(1)(b) of the Act, in that the use of the Proponent's name would not lead to the inference that the business carried on by the Proponent and the Objector are one in the same, or that the Proponent is associated or affiliated with the Objector.

Subsection 12(1) of the Act provides that the Director may, in his discretion, change a name which contravenes the Act or the Regulations. Counsel for the Proponent referred to the decision of Mr. Justice Robins in Re Cantrade Sales and Import Co. Ltd. (1977), 15 O.R. (2d) 562 (Div. Ct.). In that decision, Mr. Justice Robins, in referring to the use of that discretion, even in the situation where there is non-compliance with the provisions of the Business Corporations Act, said:

Notwithstanding the acquisition of a name contrary to section 8(1), the Minister is obliged to consider whether, in the light of all the surrounding circumstances of a particular case, the name ought to be ordered changed. This consideration as a primary

matter involves the public interest in not being subjected to confusion through the use of similar corporate names, and as a secondary matter, the interests of the companies claiming the name and the relative hardship that may resolve to them from the decision.

In the case before me, I conclude that there is nothing to indicate that the public interest has been or will be subjected to confusion. At the same time, there would be obvious inconvenience and hardship should the Proponent be required to change its name.

Therefore, pursuant to the authority delegated to me under the Act, there will be no Order changing the name of the Proponent.

This decision does not, however, prevent the Objector from pursuing this avenue again should instances of confusion or additional evidence of the likelihood of confusion on the part of the public, come to light.
